access to higher education. Our primary mission is to ensure that every high school graduate and returning adult has the opportunity to acquire the knowledge and skills necessary for intellectual, professional, career and personal growth through an array of academic, career and continuing learning programs. We meet the wide-ranging educational needs of our diverse student population, building on our rich tradition of excellence in teaching and our dedication to all students with the ability and motivation to succeed. We set high academic standards necessary for transfer and career success, champion diversity, respond to community needs, and contribute to our state's economic development and the region's workforce.
