

RHODE ISLAND
ORAL HEALTH FOUNDATION

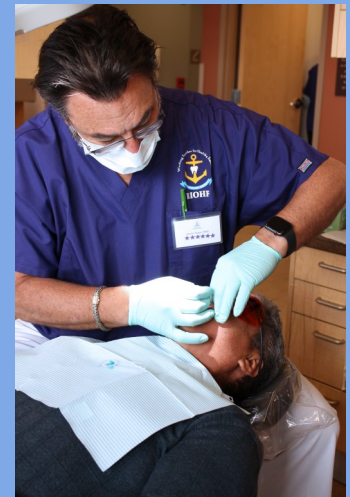

2018 EVENT SUMMARY

RHODE ISLAND MISSION OF MERCY

SEPTEMBER 29 & 30

OUR NEW LOCATION
335R Prairie Ave.
Providence RI 02905

We celebrated our 6th year and the return of RIMOM at our new venue, The Providence Community Health Center (PCHC). This new central location in downtown Providence provides greater access for patients to receive the free services offered at RIMOM. With its 22 operatories, the PCHC state-of-the-art dental clinic allows our dental professionals to continue to provide treatment to deserving patients with the utmost in care and dignity.

This year two of our patients who received partial dentures were getting married in December. I had the pleasure of meeting one of them. His name was Joseph. Joseph shared that he was excited to be able to smile at his bride. I told him I was so happy we were able to give him a smile for his wedding. He looked at me with tears in his eyes and said "You didn't just give me a smile; you gave me my life back." Moments like this happened all weekend long at RIMOM. We gave people a reason to smile and in some cases we gave them a new smile. We changed people's lives and in turn they have changed ours. We restored the belief that there are people out in the world that care. Hugs, tears of happiness and gratitude were in abundance at RIMOM 2018 and as in years past we realize the need has not diminished. *Libby Swan Executive Director RIOHF | Program Director RIMOM*

Blue Across Rhode Island 2018

RIMOM was chosen as a recipient of the 2018 “Blue Across Rhode Island “ day of service grant. This grant provided us a team of 35 Blue Cross & Blue Shield RI employees who spent 4 hours helping us tackle the daunting task of organizing both clinical and non clinical supplies for the event. In addition to the wonderful volunteer support RIMOM received a financial contribution of \$5,000.
