

Additional Info for Dentists

Malpractice Insurance:

Medical & dental professionals volunteering who do not carry their own malpractice insurance coverage will be covered under the RIOHF Insurance Policy for the RI MOM event.

Volunteer Options:

The following is a list of clinical volunteer positions:

- Dental Screening
- Endodontic
- Local Anesthesia
- Oral Surgery
- Prosthetics
- Restorative

Dental Instruments and Supplies:

The PCHC dental clinic has a fully functioning state of the operatories with all of the equipment and supplies needed to provide quality dentistry. All instruments and supplies will be provided.

Due to compliance issues we cannot allow personal supplies and instruments. .

Note:

- Bring any special equipment you may need; i.e., headlights, magnifying eyewear. Be sure they are marked properly with your identification.
- Non-narcotic analgesics are available on site at no cost to patients. Clinicians may bring their own prescription pads and judiciously prescribe narcotics as they feel absolutely necessary.
